

Client QA

This form will guide you through the sections of Avesdo that require your testing and QA, as well as areas where you'll need to set up project-specific information

* Indicates required question

1. Email *

2. Today's Date *

Example: January 7, 2019

3. Project Name *

4. Your Full Name *

5. Company Name *

6. Name of your Avesdo Client Success Manager: *

Part 1: Review and Confirm Project Settings

Please navigate to Menu > Project Settings and review to ensure all information has been set up correctly.

For each item, select the appropriate response:

- **Correct** – Select this if the item is already set up properly.
- **Update Made** – Select this if the item was incorrect and you have updated it yourself. A text box will appear; please describe the updates you made.
- **Update Needed by Avesdo** – Select this if adjustments must be completed by Avesdo. A text box will appear; please provide details of the required changes.
- **Completed** – This item must be set up on your end based on project requirements.
- **Need Further Guidance** – Select this option if you need further guidance for this section.

7. Documents > Manual Upload

Enter the names of documents you want available for manual upload. These will appear under the Manual Upload option in the New Document dropdown within a deal.

Mark only one oval.

- ☐ Completed
- ☐ Need Further Guidance

8. Documents > Order & Visibility > Document Types to Show on Purchaser / Realtor Dashboard

Select the documents you want purchasers and realtors to see when they log in to their Avesdo account.

Once a document is fully executed and the deal enters the Rescission/Conditional period, purchasers and realtors can download it from their dashboard. To enable this, ensure the document is checked under this section.
